Salons, Spas, Massage can become operational on or after April 27, 2020 with reduced capacity and where strict physical distancing protocols can be maintained.

State Guidelines

Phase 2

- Establishments should continue provide for physical distancing between stations.

Phase 1 (still in effect)

- Screen customers prior to appointment for symptoms of fever, shortness of breath or a cough. Customers that have any of these symptoms must be rescheduled.
- Utilize a face mask for staff and for customers when practical.
- Stylist / artist / service-provider and customer would be a “booth/station” that would be 6 feet away from other “booths/stations”.
- Provide for 6 feet of physical distancing between stations, this may require:
  - A reduction in capacity;
  - Increasing spacing, removing stations, or marking stations as closed;

- Consider reserving special service hours for at-risk populations.
- Consider limiting face services (e.g. lashes, facial waxing, beard trims)

  - Reading out the credit card number
  - Paying over the phone
  - Paying online

Cloth Face Masks

  - e.g. pedicures and manicures, tattoos, etc.
- Make sure that employees are regularly laundering their face masks.
- Avoid touching eyes, mouth, and nose while working.
  - Wash hands immediately after taking off facemasks.
  - Facemasks should be routinely washed depending on frequency of use.
- Consider laundering facemasks for all employees

Symptom Monitoring

- Consider implementing policies asking clients to not book appointments within 14 days of returning from travel.
- Ask clients to monitor themselves for signs and symptoms such as fever, cough, or shortness of breath prior to coming in to the business.
- Confirm that the client is not sick during the appointment confirmation call.
- Actively encourage clients to stay home and reschedule if they are sick.
