Press Release Novel Coronavirus Update

On 10/23/2020, the Teton County Health Department received notice from Montana Department of Public Health & Human Services (DPHHS) that four Teton County residents have tested positive for novel Coronavirus (COVID-19), bringing the total number of confirmed cases to 87. There are currently 21 active cases in Teton County.

This week confirmed cases were identified in both Choteau Schools and Dutton/Brady Schools. Teton County Health Department has worked with school administrations in both school districts to identify and quarantine close contacts among students and staff. Additional statistics about COVID-19 in schools in Montana can be found at <https://dphhs.mt.gov/publichealth/cdepi/diseases/coronavirusmt/demographics>. Data from school districts across the states is collected and reported by DPHHS once a week.
