Press Release Novel Coronavirus Update

On 10/4/2020, the Teton County Health Department received notice from Montana Department of Public Health & Human Services (DPHHS) that two Teton County residents have tested positive for novel Coronavirus (COVID-19), bringing the total number of laboratory-confirmed cases to 42. The cases include one adult and one child, both of which had been previously identified as close contacts of other confirmed cases in the county and were quarantining at home. Contact tracing is underway, and all close contacts will be notified promptly. There are currently 19 active cases in Teton County.
