## **Press Release** Novel Coronavirus Update

On 10/5/2020, the Teton County Health Department received notice from Montana Department of Public Health & Human Services (DPHHS) that three Teton County resident have tested positive for novel Coronavirus (COVID-19), bringing the total number of laboratory-confirmed cases to 45. Close contacts have been notified and are quarantining. There are currently 18 active cases in Teton County.

A confirmed case, reported over the weekend, has been traced to Choteau Schools leading to the students and staff in one classroom being asked to quarantine at home and switch to distance learning for a period of 14 days, since their last exposure.

The Teton County Health Department will no longer be releasing demographic information in press releases. However, a breakdown of this information is available on the Montana COVID-19 Response Map at <https://montana.maps.arcgis.com/apps/MapSeries/index.html>. The map is updated on a daily basis.
