Press Release Novel Coronavirus Update

On 7/10/2020, the Teton County Health Department received notice from Montana Department of Public Health & Human Services (DPHHS) that 2 Teton County residents have tested positive for novel Coronavirus (COVID-19), bringing the total number of laboratory-confirmed cases to 14. The source of infection for both of these individuals is related to close contact with other confirmed COVID-19 cases in the county. Contact tracing is taking place, and all close contacts will be notified promptly.
