Press Release Novel Coronavirus Update

On 8/17/2020, the Teton County Health Department received notice from Montana Department of Public Health & Human Services (DPHHS) that an individual residing in Teton County tested positive for novel Coronavirus (COVID-19). The individual is an adolescent female. The source of infection is not known at this time, and is still being investigated.

The Teton County Health Department is in the process of identifying and notifying close contacts. If you have not been contacted by the Teton County Health Department, you should still continue to practice social distancing, wear a mask, and wash your hands often.
