Can My Child Go to School Today?

Has your child recently tested positive for COVID-19?
- NO

Does your child have any of the following symptoms?
- Temperature 100.4 °F or higher
- Sore throat
- New uncontrolled cough that causes difficulty breathing
- Diarrhea, vomiting, or abdominal pain
- New onset of severe headache, especially with fever
- YES

Has your child had close contact with a person with confirmed COVID-19 within the past 14 days?
- Within 6ft of an infected person for at least 15 minutes
- NO

Has your child had any potential exposures?
- Traveled to, lived in, or had visitors from an area that is reporting large numbers of COVID-19 cases
- Traveled to, lived in, or had visitors from an area with high community transmission (including your own community)?
- NO

Stay Home
- Inform the school of your child’s illness
- Seek COVID-19 testing through your healthcare provider or contact Teton County Health Dept if you need assistance.
- Inform Teton County Health Dept of any exposures to COVID-19 your child has had, 406-466-2562.
- The school administration will help you determine when your child can return to school safely based on school policies and public health recommendations.

Go to School, but watch closely for any signs of illness
- Inform the school of any travel your child has had recently.
- Follow school safety protocols

Go to School
- Follow school safety protocols
